EDUCATION

Shawnee State University | Portsmouth, OH

B.S. in Computer Engineering Technology | GPA: 3.0/4.0

- **Courses:** Data Structures and Algorithms, Database Management, Operating System, Compiler, Automata and Theory of Computation, System Programming, Programmable Logic

TECHNICAL SKILLS

Languages: Python (Pandas, Numpy, Matplotlib, Plotly), SQL, JavaScript, C/C++, HTML/CSS
Data Tools: Excel, Power BI, Anaconda, Jupyter Notebook
Frameworks: Node.js, React.js, MongoDB, Git

RELEVANT EXPERIENCE

DataAnnotation | Remote   **April 2024 - Sept 2024**

Prompt Engineer/Data Trainer

- Evaluated and corrected 100+ AI-generated code samples weekly, improving model accuracy.
- Provided feedback and detailed annotations to enhance machine learning models' understanding of programming concepts.
- Gained hands-on experience with AI technologies and data-driven systems, contributing to improvements in AI training datasets.

PROJECTS

Merge | *Personal Project*   **Feb 2025**

- Developed a full-stack dating platform targeting career-driven professionals using **React.js** frontend, **Node.js/Express** backend, and **MongoDB** database with LinkedIn OAuth integration for profile verification.
- Built a real-time messaging system with Server-Sent Events (SSE) for instant match notifications and live chat functionality between users who match with each other.
- Applied product management principles by conducting market research, defining user personas, and developing a freemium business model strategy targeting the $9.65B online dating market.

Drop Shipping | *Personal Project*   **May 2016**

- Managed the supply chain by sourcing products from warehouses and factories, optimizing the process from production to consumer delivery.
- Scaled Facebook ad campaigns to reach 5M+ targeted users with 4% conversion rate
- Generated $5,000 profit over 3 months with 40% profit margin

LEADERSHIP EXPERIENCE

Shawnee State University IEEE | Portsmouth, OH

IEEE Treasure

- Managed $3,000 annual budget for 20+ member IEEE chapter, ensuring 100% financial compliance and accurate expense tracking
- Coordinated 3 major technical events attracting 100+ attendees each, managing logistics and vendor relationships

- Stepped into Vice President responsibilities, leading weekly meetings and representing the organization in external communications

Varsity Soccer Captain | Ewa Beach, HI
- Captained my high school soccer team for two years, demonstrating strong leadership skills and contributing to the team's success through effective communication, planning, and high-pressure decision-making.
- Led a team of 25+ players for 2 consecutive seasons, coordinating practice schedules and team strategy sessions
- Demonstrated leadership under pressure during 20+ competitive matches per season
